SAT 28 DECEMBER 2019 - 3PM - ISTHMIAN NORTH

ISTHMIAN LEAGUE

GOLDSTAR

GLOBEX
Freight Management Ltd

Good afternoon to you all and welcome to the Goldstar Ground for the final 1st team game of 2019 v Basildon. I wish a very warm welcome to our visitors and of course to this afternoon's match officials Messrs. Oliver Morris- Sanders, Lucas Bomela and Kenneth Reeves. I hope our hospitality meets expectations.

So....who ate all the (Mince) Pies?!!! Hope you had a wonderful yuletide period and are totally stuffed of turkey! (And sprouts – can't beat a good sprout at Christmas!!!) I bet you're already cheesed off (excuse the pun) with the turkey soup following the left overs, eh?!

We've been finding it tough this season, haven't we? We seem to be putting in good shifts in each game but finding it difficult to come away with the rewards. Take the last home game v Romford for example; camped in the Romford half for the second period but just could not find the net. Then recently we travelled to Grays Athletic (and with a reduced side), played some good stuff but again came away with nothing to show for our efforts. Can we turn the corner starting with Basildon this afternoon? Our visitors are only two places above us in the League but on the same number of points. OK, so they have three games in hand but they have to win them?

Y2K20 is literally just around the corner and let's hope the New Year will bring better fortunes for us. I wish you all a very peaceful and joyful 2020 and look forward to prosperous fortunes at home and in football.

For the 2019/20 season, the Felixstowe & Walton United First Team (and Reserves) programmes will be online only, available to download for free.

This programme and all the others will be available on the club website 2-3 days before the game and can be accessed at: <https://felixstowefootball.co.uk/club/programmes>

THE VISITORS

Nicknamed 'The Bees', Basildon United came into being in 1967, having previously been known as Armada Sports; a junior club who were formed four years earlier.

In 1967/68 the renamed club joined the Grays and Thurrock League, moving into the Greater London League the following season.

The first major step forward came in 1970 when the Essex County FA granted the club senior status and it became a founder member of the Essex Senior League.

It was not long before The Bees got amongst the honours recording four consecutive championships from 1977 until 1980, which stands as a league record to this day.

In addition, Basildon finished runners-up in 1973 and 1975, whilst the League Cup was won in 1978 to complete that season's double. The following season the club were winners of the Essex Senior Trophy.

The Bees successfully applied for promotion to the Athenian League in 1980, but membership only lasted one season, as they finished runners up to Windsor and Eton and earned promotion to the Isthmian League Division 2. In this season, Basildon also progressed to the quarter finals of the FA Vase, before Isthmian League Diamonds brought an end to progress in the competition with a 6-4 victory in a sixth-round replay.

After three seasons in the Isthmian League Division 2, Basildon achieved promotion as champions in 1984, pipping St Albans City by one point on the last day of the season. This season additionally saw the club reach the finals of both the Essex Senior Trophy and the Eastern Floodlight Competition.

Basildon found life a lot harder in the first division and eventually lost the struggle against relegation in 1989, dropping into the Isthmian League Division 2 North. This was the first time that the club had suffered relegation in their history.

Two further seasons were spent in Division 2 North before the decision to de-regionalise the division led to the club resigning from the league, the club considering that an excess of travelling in the Isthmian League was not viable at that point.

The Bees re-joined the Essex Senior League in 1991/92 and quickly regrouped both on and off the pitch. It was not long before the successes of the late seventies were emulated, as The Bees finished in the top six in both 1991/92 and 1992/93 and made a League Cup final appearance in 1992.

A superb 1993/94 season saw Basildon again win the Essex Senior League double, with the championship being won for a record fifth time. The following season, 1994/95, the club battled through to the FA Vase quarter final for the second time in its history, before losing out to Raunds Town.

During 1997/98, The Bees equalled Brentwood's record of three Essex Senior League Cup wins by beating Burnham Ramblers 1-0 in the final. It was the club's sixth appearance in the final of this competition, which also remains a record. In the league, Basildon finished runners up to Concord Rangers.

1999/2000 saw Basildon finish 13th, which was the club's worst league finish at the time and although a reasonable 8th position was achieved in 2000/01, two bottom half finishes followed for the next two seasons.

THE VISITORS

The club finished 7th in both 2003/04 and 2004/05.

John Higley was The Bees manager at the start of the 2007/08 season, but he was replaced by Jason Emery in October. The club struggled for form all season and used 72 players, only to finish in 16th position, just one place off the bottom.

A new management team of Colin Cook and Gary Morris was announced for the 2008/09 season and the club won its first six matches, whilst reaching the second-round proper of the FA Vase. However, by December the management team had left the club and ex reserve coach, Jody Prevwel, was appointed manager, with Basildon eventually finishing the season in 8th place.

In May 2010, John Doyle returned to the club as manager, bringing in former Romford boss, Mark Reed as his assistant and Paul Rogan as coach.

After a 12th place finish, John Doyle decided to step down at the end of the 2010/11 season. The club advertised for a new manager and in excess of 30 hopefuls applied, with Paul Larke being appointed manager in June 2011.

After a poor start to the season, Larke resigned following a 9-1 defeat at Witham Town, with John Doyle returning to oversee the forthcoming FA Vase match against Ampthill Town.

The following week, Chris Wood was appointed permanent manager, but unfortunately no improvement was seen in results and The Bees finished bottom of the Essex Senior League for the first time in the club's history.

Former Ramsden boss, Bobby Barnes, was appointed manager in May 2012 and at just 27 was one of the youngest managers in non-league football. After Barnes decided to resign due to work commitments, John Higley returned to the club and was assisted by Steve Brown senior.

After a number of managerial changes, the club ended the 2012/13 season with Bertie Brayley as player/manager and the club finished the season in 13th position. Laurie Carter was appointed manager for the 2013/14 season and the club finished in 8th position.

In May 2014 Colin Cook returned to the club for a second spell as manager and he was assisted by Craig Gillam. Cook left during September being replaced by his assistant, who guided The Bees to a creditable 12th place finish.

Ahead of the 2015/16 season, Lee Connor was appointed as assistant to Gillam and the club enjoyed its best season for many years winning the League Challenge Cup and finishing runners up in the league. Additionally, Brad Warner won the league's Golden Boot award.

With Gillam opting not to remain with the club for the 2016/17 season, the club appointed Aaron Bloxham as manager, who had previously enjoyed success with White Ensign in the Essex Olympian League. A mid-table finish was achieved in the league as well as notable success in the Essex Senior Cup where the club reached the last eight before bowing out against Heybridge Swifts in the quarter finals.

In May 2017 the club parted ways with Bloxham and Marc Harrison joined the club as manager, with Liam Wallace also joining as his assistant. Harrison and Wallace both joined the club from neighbours Basildon Town, where they had achieved considerable success winning Essex Olympian League Division One the previous season.

In their first season in charge, Harrison and Wallace enjoyed tremendous success leading the club to the runners-up spot in the league and with it promotion back to the Isthmian League for the first time in 27 years.

Following a club reorganisation, Harrison and Wallace left the club in November 2018 and after a brief spell as Joint Manager with former Barkingside manager, Michael Walther, Lee Connor took temporary charge of team affairs. Subsequently, former Enfield 1893 and Laindon Orient manager, Neil Blackburn, took on the role as first team manager.

Blackburn stepped down as manager before the end of the 2018/19 season to be replaced by John Sussex who re-joined the club from Witham Town, having previously been a coach at the club. After steering the club to safety, Sussex then stepped down in November 2019 where Lee Connor and Michael Walther are joint-managers.

The Seaside's First team were delighted to welcome some of the Junior Coaches children to the Romford game on Saturday. The children, who all play for the club in teams ranging from U6s through to U12s and girls from the wildcats enjoyed a training session with the first team management & coaches. They then walked out with the players. It was a great day out for the kids and the Junior Coaches offered their thanks to the first team set up for taking time out for them.

Felixstowe & Walton Utd have signed Leiston FC centre-back **Harry Knights** on loan until the end of the season.

Manager Stuart Boardley said: "I'm delighted to have Harry on board. He's going to add great competition to our squad and is a player I have great belief and huge trust in."

Over recent weeks at NLP Towers, we've been reminiscing about the last ten years in Non-League football and picked out some of the most significant moments and their protagonists.

You may have seen the features in the paper and there were plenty of tough calls among those we just had to get in.

But it quickly dawned on us that it's an almost impossible task. When we put the question out on social media the responses came flooding in.

From favourite goals to individual matches, cup wins and title triumphs – the list went on and on.

In many ways the variety of replies shows just how vast Non-League football is, and how much so many different clubs mean to people.

While sometimes we may question standing in the cold on a wet December night, when those big moments come along it makes it all worthwhile.

Of course, the debate is subjective. That is also what makes this game so much fun to watch and care about. The discussions that fill a car ride home from an away game or are had over a pint in the bar after a game.

The last ten years have gone by in the blink of an eye. The very landscape of Non-League football has changed since the decade began.

Clubs have risen through the Pyramid, others have sadly slipped off the map altogether.

There are new play-off formats in the National League's three divisions and there are even play-offs at Step 5. We've also seen the introduction of new divisions at Steps 3 and 4 – with the latter to get another – taking the level to eight – next year.

The make-up of Step 5 and 6 will also be changing. Without a crystal ball it's impossible to know exactly how Non-League will look in another ten years.

There will surely be plenty of differences and there are issues the game needs to collectively address in the near future. Will the EFL accept three-up, three-down? Will their clubs want to allow the use of artificial surfaces? Will there be rule changes to ensure the sustainability of clubs?

Time will tell, but at the heart of it, football fans will hopefully still be enjoying those special, and very personal, moments.

So let's hear your moment, manager and player of the decade – email us at nlp@greenwayspublishing.co.uk or tweet us @NonLeaguePaper and your answer may be featured in the paper!
